

## Broadband Installer

Dynamic Broadband ([www.dybb.com](http://www.dybb.com)) is a wireless internet service providing wireless internet to customers throughout the state of Iowa. We are seeking a customer friendly Installation professional to join our team. This full time position will be based in the Cedar Rapids/Iowa City area.

### Responsibilities include:

- Installations and service calls at customer locations.
- Maintain tower access points (must be willing to climb up to 400')
- Provide Dynamic Broadband's customers with World Class customer service
- On-call 7 x 24 for some tower/customer situations that require immediate attention

### Requirements include:

- A friendly personality and excellent customer service skills
- Team work with others throughout the company
- A good driving record
- Certified Tower Climber – A plus
- Proficient record keeping and computer skills
- Some travel may be required

### We offer:

- Competitive Wage
- Overtime & special climbing rates
- Safety Training
- Company vehicle for work related travel
- Health Care Benefits
- Paid Holidays & Vacation
- Simple IRA program with company matching
- A fun & challenging environment
